

Web Design and Client Side Scripting

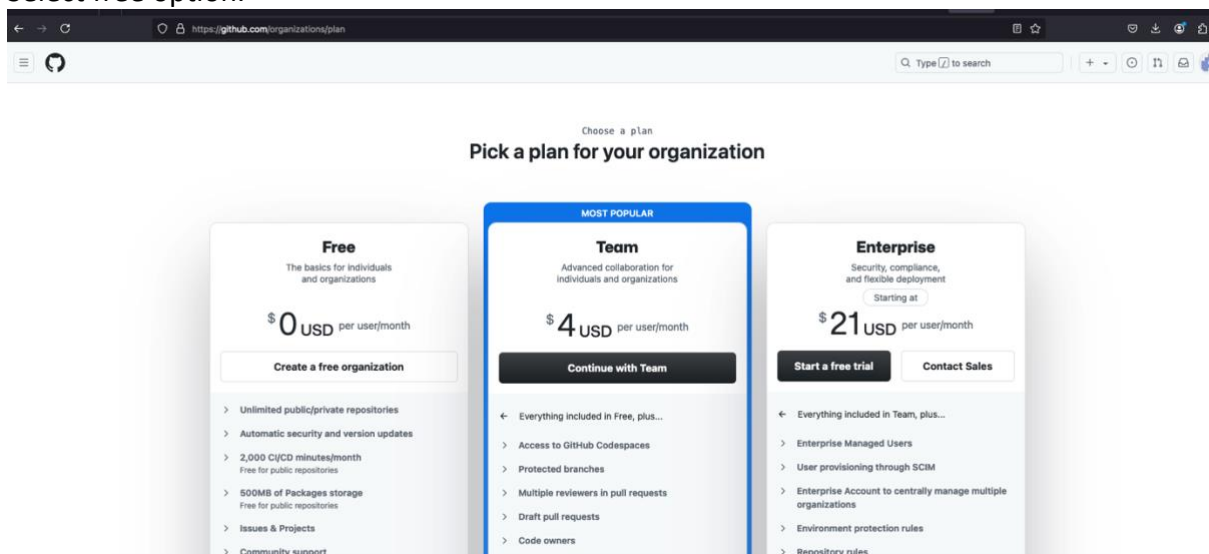

Project group git repository guide

One group member should create a organization from their github account like below.

Step1. From the drop down menu select new organization.

Step 2.
Select free option.

Step 3.
Add the title and email address. Select personal account option.

← → ↻ 🔒 https://github.com/account/organizations/new?plan=free&ref_cta=Create%20a%20free%20organization&ref_loc=cards&ref_page=%2Forganizations%2Fplan

⋮ GitHub 🔍 Type to search + - 🔍 🌐

Tell us about your organization

Set up your organization

Organization name *

WebProjectNCITeamNo.

This will be the name of your account on GitHub.
Your URL will be: https://github.com/WebProjectNCITeamNo, which has been adjusted to comply with our naming rules.

Contact email *

khadija.hafeez@ncit.ie

This organization belongs to:

☒ My personal account
(i.e., khadija:NCI)

☐ A business or institution
For example: GitHub, Inc., Example Institute, American Red Cross

Verify your account

Step 4.
Add members of your team to the organization.
